Customer Reviews

When Mr. Food met with Nicole Johnson, Miss America of 1999 and an international diabetes advocate, a partnership was formed which created "Mr Food's Quick & Easy Diabetic Cooking", a useful diabetic and general health food cookbook. The updated second edition packs in over 150 recipes, hints for eating lighter as a lifestyle change, and portion sizes geared to aid in diabetes control and weight loss. Recipes are very easy, offer streamlined dishes based on pre-made foods as much as possible, and will appeal to any interested in modifying their cooking habits to accommodate diabetic needs.

I ordered this book for my aunt and she loved it. She watches old reruns of his clips on tv and was pleasantly surprised to get a cookbook.
