Customer Reviews

I am new to the Dakota area and was really looking for a book to tell me what I can and can't plant up here. I do not know this climate. It was good, but never got to exactly what I wanted. It only tells you a few plants you can use in the flower beds, not as many options as I expected to be listed in the book. We ended up buying a different book that offered a listing of all flowers, and then when to plant.

lucky to find books of this quality. Just moved to the Dakotas and this will help! great prices!

Very well written and has a ton of helpful ideas to even this veteran- 50+ years gardener.
