Customer Reviews

Great book, easy to read, over the counter ingrediets and very nice pictures.I have not opinion regarding the final product of soap because i did not make one yet but for experience of my teacher, there are great!!

The book was not what I was expecting... you have to craft all the soaps here using caustic soda, if you are ok with this ingredient the book is great. I just do not feel comfortable wearing caustic soda in my skin

El libro no era lo que me esperaba con mas info sobre procesos de saponificacÃ-on y otros...

Very useful, for people who is starting soap making
