The 9mm Makarov: The Low Price/High Quality PPK Alternative

Synopsis

>>>The Makarov is a classic cold war sidearm. It is based upon the Walther PPK design, but it was so much simpler, and inexpensive to produce and put together than a Walther. Learn how easy it is to replace a firing pin in this weapon. Learn how to field strip the gun, clean it, inspect it, and more.

Customer Reviews

very small kindle book, based on a few You Tube video reviews. If you haven't seen the videos, perhaps these facts would be new, but not a second time by someone described by the author to the reader.

Pretty basic information concerning these pistols. It is good enough for a novice Makarov owner to gain some information. 20-some pages makes this more of a pamphlet than a book.

I've been thinking about getting a Makarov for some time. This book gave me the information I

wanted in a short concise form.

Nice overview of a revolutionary gun. Great breakdown of the changes from the PPK it is based on and worth the price.
