American Diabetes Association Guide To Raising A Child With Diabetes

Synopsis

The third edition of American Diabetes Association Guide to Raising a Child with Diabetes features the latest advances in diabetes care and parenting advice from the diabetes experts. Full of problem-solving examples and easy-to-use tables, the book shows parents how to adjust insulin to allow for the foods children like to eat, care for a child with type 2 diabetes, handle sick days, and plan meals that are nutritious and balanced. The book also addresses how to play sports and games safely, help children maintain a busy schedule and still feel healthy and strong, negotiate the twists and turns of being "different," and accept the physical and emotional challenges that life has to offer.

Customer Reviews

I found this book to be helpful, but more of a review for me. I had just finished the Everything Guide to Raising a Child with Diabetes and felt it was far more helpful. I purchased this because it was backed by the ADA. I felt it was good, but not as informative as the other.

bought this for my neighbor and she said it was a very good guide.
