**Synopsis**

New from the National Fire Protection Association, International Association of Fire Chiefs, and International Society of Fire Service Instructors. Based on the 2012 Edition of NFPA 1041, Standard for Fire Service Instructor Professional Qualifications, Fire Service Instructor: Principles and Practice, Second Edition provides students with the up-to-date information required to meet and exceed the modern job performance requirements for fire service instructors. In addition to scores of content enhancements throughout the text, this Second Edition is now supported by an unparalleled suite of digital course management and student assessment resources. Fire Service Instructor: Principles and Practice, Second Edition has been updated to include coverage of Fire Service Instructor Levels I, II, and III. New chapters provide expanded emphasis on cultural diversity, bias, and discrimination in the development and delivery of training. Fire Service Instructor: Principles and Practice also includes practical coverage of: àá Legal issues àá The learning process àá Communication skills àá Lesson plan development àá Safety during the learning process àá Instructor management

**Customer Reviews**

Do not buy if your taking state test in Florida. None of the material is on the state exam. It will be a complete waste of money

The book is fine. I am not a fire person but I had to buy the book for a class.
Exactly what we were looking for

This book covered all course materials.
