large collection of silhouette patterns. all kinds to choose from you even get patterns for the Holidays from Christmas to Halloween and everyone in between. You get patterns for all skill levels.

The book is best for someone relatively new to the scroll saw. Many of the patterns are not too difficult and look nice when completed. The book has a wide range of patterns to choose from.

I like the product because it have them wich I need for my hobbies and my woodwork and desing. The product is very nice.

great book with wonderful designs in it, Can't wait to make something out of this book. very intricate deigns to cut.

Many, many gorgeous patterns in this book. We've already made a few and look forward to more projects.

Spielman's patterns are great

he's got the formula down...
